

# ***MY FIRST BITCOIN***

***BY: BRITVR***

Adams, Britten (Britvr)

## My First Bitcoin

[continue reading](#)

Cryptocurrencies are the potential for banking, smart agreements, blockchain tech, and supercomputers. Therefore introduce your kids/teenagers to bitcoin (BTC) in a short story called, " It's time to teach the brand new generation about future institutions. This brief bedtime story will give them interest to their financial future."My First Bitcoin.
