Match Cameron Silvera, a feisty cyberterrorism expert battling tech threats and high-tech attacks that threaten society every day.. While defusing a routine cyber attack in a city lender, the team uncovers a warning of chaos to arrive. How will Cameron's team, and their close friends and family members, prepare to battle the oncoming storm?". Thought the computer jargon would block the way, but it didn't."Really enjoyed scanning this book. Baucherel's debut thriller novel is an interesting read of cyber security and conspiracy fiction, featuring the charismatic Cameron Silvera juggling everyday lifestyle and the real threat of cyberterrorism. Easy to comprehend and I cannot wait to read even more about Simcavalier."" and did so with some design...Baucherel caught me completely off guard. Cameron Silvera operates a threat intelligence agency in 2040s London.R.K.
