Good book to guide you what cryptocurrency is about Cryptocurrency may be the book that will guide you where you invest your cash it is the basic step that will teach where you would earn profit and i didn't know much on the subject of cryptocurrency before I found this book but it intrigued me from the get-go. I love how it breaks everything into simple, easy to comprehend vocabulary and i wouldn't necessarily recommend this to anyone who has been in the trade awhile, but it's perfect for beginners or those seeking to get a better notion of just what cypotcurrency or bitcoin is normally and the publication has proven methods to understand how could you make income through Cryptocurrency. Five Stars Understood cryptocurrency easily by scanning this book. Maybe I'll provide it another shot. Hopefully I understand it better the next time around Highly recommended Great book to understand about Cryptocurrency. I wanted to get into this business a while already, but I did so not have the data. Chapters are right to the point. That is among the books I chose to learn from and I am glad I did. Clear an d to the idea Clear, concise and to the point. First publication about bitcoin and it was readable. Very good book on the subject. Great information for all those needing to find out about cryptocurrency Finally got around to finishing this book. Well written Easy to read/understand Cool Book Really fun to learn i have now a better picture of the basics but of course remain up to date this is a market that constantly has new updates.I love it the book rocks ! well crafted and easy to understand and this is a perfect complete guide and i would highly recommended to learn this reserve and it was certainly an interesting read that was outside of my safe place. Great information for those needing to find out about cryptocurrency. This publication was really informative A Must Have in Your Crytocurrency Library I was looking into buying Cryptocurrency and had a need to understand more about any of it. Now to use that understanding and make some money.
