Delivers exactly as promised And made me laugh to boot. I wish I have been at a bookstore therefore i could crack the book open before I bought it. This is a book for meme lovers and Blockchain fanatics .. Delivers just what it promises.. Definitely worth the cup of coffee I skipped for the purchase price. The disclaimer should had been in the description. forever. DO NOT EVEN GO THERE - 0 Stars How can I get my \$3 dollars back?I can't believe Amazon allows this rip off.Yes, go on and put BLOCKCHAIN and watch us go crazy.This should had been in the humor section or joke section rather than business. I've made a decision to provide it to a friend who'll give it to some other friend, etc.We get his stage but.... That is a book for meme lovers and Blockchain fanatics.... Blockchain! Blockchain! Blockchain! This book may not assist you to understand blockchains any better, but given all of the recent hype and cash-grabs around Bitcoin/Ethereum/Blockchain, it had to happen..
