Four minutes and thirty secs. This is actually the exact time Special Agent Walter Davies will arrive early to any conference. Coupled with the fact he detests small chat and struggles to understand humour, the ASIS agent is usually ostracised by his co-workers..But can the very best agent from ASIS defeat the unknown risk, which uses Bitcoin to cover its every move?Pursuing on from a botched procedure, Walter is sent to a small mining town in Tasmania to research the murder of a fellow undercover agent, within an international conspiracy..
