Growing up I asked myself this question a lot, 'What is the way to riches?' Angered and bitter about my misfortunes, I considered taking my life a couple of times. Wealth could be tricky and achievement complicated and I spent countless nights brooding over my misfortune or absence thereof. and each and every time I got a different solution. But each time I came close to committing suicide, it felt like a loss rather than a win. t need to know rocket science to create it. You don' If you are tired of being appeared down on as a liability or a weakling, then this instruction is for you
