He's up from the depths to plumb hers! But there are those at Ocean World, the famous aquatic recreation area and animal rescue station, who want her, even though she wants nothing to do with them. Once totally free, though, maybe there is anything to fulfill his animal lust? And she was smitten! Courtney had never seen anything like him before. And everything comes to head one night when, drunk, they grab her, tearing at her clothes while the creature pounds on the unbreakable glass, attempting to break through! And while others discovered him ugly, she noticed in him, strength and peaceful beauty. *Slave of Waterbeast* is an account of cryptozoological lust, designed for adults only. Look Inside and observe for yourself!
