Direct info, quick, easy and accurate, when you need it! Great book for just starting out in crypto! amazing read.com. He'll become more than prepared to help you to get it working. Cryptocurrency Trading 101: WAYS TO Profit in Vastly Changing Times I actually knew crypto trading pretty much going in Thanks for the suggestions! I understood crypto trading pretty much going in, but this helped me understand a couple of things that I couldn't merely Google on my own. Simply no Idea Why that one client couldn't download it on his kindle, but it works fine on all my devices including my Kindle. It was an instant read and addresses everything a real beginner needs to know to begin in crypto. I would recommend it to anyone just starting out. Five Stars Fantastic resource for an introduction to crypto currencies and getting started in the Blockchain revolution. great info for beginners! If you have complications email charleststanhope@gmail. From ways to get your fiat into trustworthy exchanges to how to use that fresh found prosperity for betterment. The Kindle version doesn't work on any Kindle I've two Kindles, another generation a single, plus Kindle Paperwhite 3. This book has everything!

Great starter book! thankfully I didnt lose an excessive amount of for me to understand this lesson. This book is certainly helpful for anyone interested in engaging in the cryptocurrency market! thanks a lot for contributing these essentials of crypto to beginners like myself. this is a great reminder for me moving forward. I totally relate to offering/buying at the incorrect time because of fomo. Attempting to open this book on each one of those pops up "Unavailable for Download, The item is not appropriate for this product".I payed for this item, it really is a Kindle item, but doesn't work in any Kindle? WTF? Five Stars great book
