This carefully crafted ebook is formatted for your eReader with a functional and detailed table of contents. We donate part of our net income after taxes to the Wikimedia Foundation from the sales of all e-books predicated on Wikipedia content material. This book will not include tables, illustrations or illustration descriptions. The Focus On books are a consequence of a substantial editorial work of choosing and grouping relevant content together to be able to create a precious source of information about specific subjects. CONCENTRATE ON (an imprint of OK Publishing) costs for the convenience assistance of formatting these e-books. The Focus On books are made out of selections of Wikipedia content articles regrouping the most informative and popular articles about a specific subject matter. You can access the original Wikipedia content articles on the internet free of charge.
