## Bitcoin, Cryptocurrencies And Blockchain: 2018 Mining Truth from Fiction

[continue reading](#)

This book, to borrow the vocabulary of the cryptoscenti, will mine some truths from the myriad fictions in the wonderful world of Bitcoin, cryptocurrencies and blockchain. It brings just a little old-fashioned journalism and reporting to bear on a febrile circumstance. You will find them within. Amid all the hype and the violent market fluctuations, there are some simple details to be extricated.
