Three Stars weak about content but good for a college student. Three Stars This book is similar to a introduction to blockchain rather than real "technology explained" Good One ! Good luck reading 5 Star A thorough guide here about Blockchain. This book is a thorough guide book on Blockchain. Appreciating content material. Thanks writer for sharing this publication to us. By scanning this book I learned many considerations from this guide. Loving content This is an excellent learning book on blockchain technology. Appreciating content. Great informative book. Providing proven suggestions and steps. I would recommend it for anyone seeking to find out about blockchain. Newbies will certainly appreciate this one due to clear and extensive writing style. Recommended.! Good read I learned a lot out of this book. The reserve was useful for me and I learned a lot.
