Pounded by the Crypto-Trading Garden Gnome may be the erotic tale of Sadie, our buxom blonde American nympho, who, in the ripe age of 28, had not been quite sure when her fascination started, but it certainly led her upon a long and curious journey. It isn't easy to locate a real gnome. For just one, they're not thinking about today's dating technology (you won't find one on Tinder) and it's nearly impossible to pry them from groundbreaking technologies such as AI or Blockchain. Join Sadie as she embarks on a lewd and salacious experience long overdue! From her smoggy city of Detroit to the lush rolling hills of Viljandi, Estonia, we witness our heroine struggle to defeat all odds in declaring a hodling crypto-gnome as her individual, his feet on her behalf ultimate pleasure. "We wanna stuff those dangling eggs so far up my turkey hole they turn out my eyes as scrambled eggs! Additionally it is a great gift for garden lovers, gnome lovers, hodlers, foot fetishists, and the ones itchin' for a kinky go through. Find out in this titillating erotic romp filled with delicious cake, pruned bushes, good tilled earth and a supplementary special member of the widest girth!"..." prized soil and spread her legs. The hairless fruit beckoned him as he inched a timid toe towards the starting of her luscious peach...Sadie laid back onto the gnomes' ".....\*This tongue-in-cheek short is both highly arousing and amusing and is most beneficial continue reading the subway, throughout your commute, or in the board room throughout a meeting.and could it be true, what they state, that garden gnomes pack a huge one-eyed monster between your legs?\*
