Dating the Bitcoin Millionaire

[continue reading](#)

Ashlee Martin may be the total package, but there is nothing going her way. She meets a handsome Bitcoin millionaire, falls in love, and gets the chance to run her own business. On top of that, her boyfriend of four years dumped her. However in an instant, everything changes... The internship she loved didn't turn into a regular job. What's a millennial to do? But life gets too complicated when everything appears perfect.
