Bitcoin and cryptocurrency trading is the latest trend in online investing and everyone wants to get in on it. This information is a SIMPLE step-by-step journey to make your 1st plunge. It's an adventure. But how? I'll walk you through your first purchase, your first cryptocurrency trade on an exchange, your first sell and how exactly to transfer your earnings into your pocket. It's not as easy since it sounds. Upon completion of this book you'll have a working understanding of this brand-new and exciting business without the hair-pulling frustration I experienced in trying to find it all out. On the way I'll give some hard-earned assistance and ideas to make the journey SIMPLE.
