Very great primer easy read Author clearly gave an excellent introduction of this issue. As a primer the writer effectively gave me a starting point on how to proceed next and to simply understand this evolving topic without giving out too much technical jargon that will bore, frustrate or scare a beginner. It was an easy examine for me who's a novice looking for information regarding crypto currencies. A very good book about cryptocurrency. Helpful Book! This is the most useful and informative book I've ever read. Well-created and well explained by the author. It's recommended.
