Hugh did an excellent job introducing the elaborate world of cryptocurrencies in a ..hopefully not anymore :-)) I give this book a 4 star only cause I wish the book was a bit thicker :-) That is my third book that I find out about digital currencies, about Bitcoin and its cousins :-) For me, Hugh did an excellent job introducing the intricate world of cryptocurrencies in a crisp flowing way. The writer claims that he produced a fortune by pursuing some strategies that he organized in the publication. I see a large amount of parallels here with how stocks are exchanged and I indeed did follow one of the recognized strategies I'd say without knowing before :-).. However now, I know more about any of it and traps that I have stumbled upon repeatedly...
