The background of the book cover is a dark, slightly blurred image of a computer keyboard. Overlaid on the keyboard are several cryptocurrency logos: the Bitcoin logo (a gold circle with a black 'B' and two vertical lines) is on the right; the Ethereum logo (a yellow diamond shape) is in the center; the Litecoin logo (a silver circle with a 'Y' shape) is on the left; and the Ripple logo (a green circle with a world map) is at the bottom center. A small, light-colored rectangular object, possibly a USB drive, is positioned between the Ethereum and Bitcoin logos.
