## ICO Investing Guide: Discover all you need to know about ICO

[continue reading](#)

Discover all you have to learn about ICO This guide is an introduction to ICO investing and the actions to look out for when buying an ICO. In this book, you will find all the information you need to spend money on ICO. To understand an ICO and how to invest in it, you have to begin with the blockchain that it resides on and the entire ecosystem that gives rise to this technology. It's vital that you understand that not absolutely all cryptocurrencies have their own blockchain, as most are issued on top of another Blockchain. There are currently more than 1,000 coins available on different exchanges, with hundreds more in the process of being listed on exchanges.
