Do you question; • The TARP lender bailouts were the largest theft in history. • • • Why do my kids have much less opportunity than I did so? If so, this reserve is for you! Where has the middle class gone? 97% of cash is established by the banks, not by governments. • • The Government Reserve is a private bank controlled by personal banks. Adam Smith didn't say a low profile hand guides the markets. • Government debt was static before mid-1970's and has soared since. • About 1/3 of the average persons' • Milton Friedman and Alan Greenspan both admitted to fundamental financial errors. Spending would go to banks as curiosity. • Corporations are using treaties to overrule nations and democracy. • Why is there so much nationwide debt?
