Blockchain Billionaire: The Company, The Reserve, The Album. Battling with established corporations? There's also even more twists in this tale than you should possibly imagine: Running with regulations? Revolutionising FinTech with the Blockchain Technology can be hard more than enough; but this kid can be producing a rap album which he plans release as this November as birthday present to himself. A meaningful narrative in the making. It's also all fictional, of course. Not just rags to riches; but a captivating tale of a 22 12 months old sandals wearing geek who realised the value in cultivating his passions and that of others. He quit his job following a severe bout of depression, went to Scandinavia to rediscover himself, and somehow started 3 companies once he got back. The last 8 months of his lifestyle has been rather interesting. Winning those battles? It's worthy of signing an NDA merely to hear the ridiculousness of everything. The Producing of Memoirs.
