**Operation Airdrop: Guide to ICO airdrops and bounty hunting money
(blockchain Book 1)**

[continue reading](#)

This is helpful information to the step-by-step process of making crypto-money over and over. I will show you everything required in this guide, From equipment and lingo to producing yourself a retirement crypto portfolio. In this show you learn all the process from begin to finish, where to go, how exactly to do it, actually where and how to store your money! Get started and I will see you in the dropzone! I wish to show you how I've created a marketing campaign that may make money with without any over head, and anyone can do it with my procedure.
