# BLOCKCHAIN

## THE UNTOLD STORY

Srinivas Mahankali ■

Blockchain is known as the Internet of Transactions and has the potential to disrupt the way business transactions are conducted in the digital economy. This book aims to demystify Blockchain, create awareness and encourage the uptake of this revolutionary technology.

- **Suresh Ramakrishnan**, Global Product Marketing Leader, IBM

This book uniquely addresses both the beginner and the advanced practitioners. It covers the technical underpinnings skillfully but does not stop there. It provides an excellent treatment of industry trends and shines a light into the future.
