## Build Your First Ethereum DApp

[continue reading](#)

In this book we'll walk through the creation of a complete distributed program (DApp) based on the Ethereum platform. It's advised that you read The Developer's Guide to Ethereum before reading this book in case you are not familiar with blockchain technology. This book is for anyone thinking about using the Ethereum platform for development. We'll be building The Neverending Tale, a crowdsourced choose-your-own-adventure story with audience curation and community censorship.
