Five Micro Cap Alt Coins That Could 30x in 2019: Cryptocurrency Micro Caps Alt Coins Amazing Potential

[continue reading](#)

In the wonderful world of cryptocurrency it's difficult to find the hidden gems from the thousands of alt coins that exist. That is clearly a bold claim I know, however when looking at the marketplace capitalisation of the micro caps and the potential they have, 30x is actually a conservative quantity. In this book I've researched and discovered five micro cap alt coins that could 30x in 2019.
