

The background of the book cover is a vibrant blue. At the top, several hands in business attire are shown holding a smartphone, a coffee cup, a document, and a tablet. Below these, three circular icons represent Bitcoin (orange 'B' with two vertical lines), Ripple (three blue circles), and Ethereum (a grey diamond shape). The title 'BEGINNERS GUIDE TO CRYPTO CURRENCIES' is prominently displayed in the center. 'BEGINNERS GUIDE TO' is in white, while 'CRYPTO CURRENCIES' is in large, bold yellow letters. Below the title, the subtitle 'Understanding and learning the fundamentals of CryptoCurrency for Future Use' is written in white. The author's name, 'ALEX CORONA', is also in white. On the left side, there is a circular icon with a red 'M' on a black background. On the right side, there is a circular icon with a white 'L' on a grey background. At the bottom, more hands are shown interacting with a laptop, a calculator, a document, a tablet, and a smartphone. A pair of glasses and a pen are also visible on the desk surface.
