

A full-page photograph of Britt Ekland. She is sitting on a large, shaggy grey fur rug. She is wearing a bright red, off-the-shoulder, form-fitting dress. Over her shoulders, she has a dark grey or black fur coat. She has voluminous, curly brown hair and is looking directly at the camera with a neutral expression. She is wearing several thin gold bracelets on her right wrist and black high-heeled shoes with white detailing. The background is a dark, solid color.

Glamorous and joyful lookback about Britt Ekland, with the right tips on beauty and health. I was so pleased With this book. I don't know anything about the text; However, the many photos of Ms. Though it might seem a bit old fashioned now, I adored this publication. Thank You! Five Stars thank you Five Stars Just what the physician ordered.! Five Stars Great experience. Many thanks! Ekland are terrific and capture among the screen's most gorgeous women at the height of her physical attractiveness. Plenty of beautiful and uncommon Pictures, and different Chapters about beauty and Health. it wasn't, obviously, written for me personally. It must be considered, that this publication was written some years ago, which Britt Ekland herself, expressed in Swedish Hollywoodwives. Classic photo book "Sensual Beauty" received a lot of mainstream media attention when it was released in 1984, and a great deal of teenage male interest aswell, but this Britt Ekland book has faded from community consciousness in the decades since. For this alone, the publication is vintage and deserves a reprint.!
