

A black and white photograph focusing on a person's legs and feet. They are wearing dark, high-heeled shoes with intricate details like buckles and straps. The shoes have thick, blocky heels. The person is standing on a light-colored surface, possibly a sidewalk or a platform. The background is a bright, slightly blurred outdoor setting. The text 'SHOE OBSESSION' is printed in a clean, sans-serif font in the upper right quadrant of the image.

SHOE OBSESSION

An informative fashion book Despite the focus on "Obsession," which apparently came from the NY FIT show of the same name, this book is very informative and well worth reading for those who have a general interest in the subject matter. The publication is well written, provides insightful historical, mental and other perspectives on rearfoot shoes and boots. In addition, the authors deal with us with a judiciously chosen, exquisite plethora of photos--some of products featured at the present. Five Stars good book for us with a shoe fetish Gift for Daughter I purchased this book as something special for my shoe obsessed daughter. Quick Shipment As Posted. Candy for your coffee table! Colleen Hill does an excellent work with this beautiful assortment of 'feet objects.' The photographs are amazing and the annals is fascinating. This is a must-have book for anyone who is thinking about fashion history, design background, accessories, shoes of course, also for anyone who just really wants to appearance at something gorgeous! It's a great combination of intellectual and creative articles. They strategically interspersed them in the text to make their point--if there is ever a need. Thanks a lot for quick shipment. I might not be able to walk in heels more than four ins but at least right here I get to appreciate their beauty! It really is a pleasure for the attention of shoe and bootlovers most importantly and a good read! She enjoys it.. Fantastic Should you have a footwear fetish and or a collector . it's a must! lovely addition to the library A most informative and entertaining publication which is well illustrated and another best thing to being at the exhibition. Five Stars Perfect book for the shoe connoisseur in your daily life :0)
