Sure to bring recollections and a smile, this Small Golden Book "guide alive" is ideal for anyone who cherishes the sturdy little books with the shiny cardboard addresses and gold foil spines!" "Be a hugger.a "Small Golden guide to life"?from managing cash, to the need for exercise, to finding contentment in the easiest things. Yes, we could! One day, Diane Muldrow, a longtime editor of the iconic Small Golden Books, understood that, despite their whimsical appearance, there is hardly a real-life scenario that hadn't been covered in the more than 70-year-old line of children's books— In this age of debts, melancholy, and diabetes, could we adults use a refresher course in the mild lessons from these adorable books, she wondered— Muldrow's humorous yet practical tips for getting the most out of existence ("Do not forget to enjoy your wedding ceremony!A humorous "guide to life" for grown-ups! Sure to bring remembrances and a smile, this publication is an ideal gift for seniors, recent grads, fans of children's literature—"), drawn from more than 60 tales, are paired with delightful images from these best-loved children's books of all period— The Golden greats of children's illustration are represented here as well: Richard Scarry, Garth Williams, Eloise Wilkin, J.included in this The Poky Little Puppy, Pantaloon, Mister Pet dog, Nurse Nancy, We Help Mommy, Five Pennies to Spend, and The Little Crimson Hen. P. Miller, and Mary Blair, among numerous others." "Sweatpants are bad for morale.or anyone who cherishes the sturdy little books with the shiny cardboard addresses and gold foil spines!

Philosophy of life I have given this book to many individuals who I value. I instantly looked on Amazon the moment I get home, and not just did they own it, but it was HALF THE PRICE as in the shop, and I could get 2 day time shipping with my Prime Account! It reflects the life cycle and gives direction when things fail. They remember the tiny Golden Books they have go through throughout their childhoods and would like to recapture the positive emotions that Golden Books evoke. I bought this as a birthday present for a pal about my age group (we're inside our 60's). Everyone to whom I have given it would like to survive when issues inevitably fail. At the bottom level of each web page it lists the reserve that the lesson on that web page came from. this book is indeed sweet. I've waited for a few months to discover this at the library because I understood it wouldn't be worthy of buying. The illustrations alone are priceless, but the message is fantastic and the writer doesn't add her own opinions on every page. She doesn't need to and she leaves sufficiently alone. So often this type of book is normally ruined by personal and obvious remarks. Little Golden Books - for all of us as children, and now as adults!" books out there, as well. I've sent five people this publication including one to a pal in the hospital--what a way to brighten someone's day. As I said, I don't do cutesy or trendy, which means this book in fact touched my heart. Simply Delightful I really had zero idea what to expect with this book. Full of my childhood memories If you are 50 or older you probably go through Golden books when you were a kid. This book is just my cup of tea. This book is actually nice in that it has great little bits of wisdom. Great gift item. This books requires pictures from all your favorites and places them all together and gives adults nowadays good advice. If not, you'll get a fresh, new look at what generations of visitors have enjoyed. I think I'll be buying even more as gifts! For the price, it's a fantastic nostalgic gift for anybody over the age of 50, though my very own kids loved it as well (plus they are under 40! A lovely publication for sharing and incredibly reasonably priced. gift.! It displays a positive philosophy of lifestyle. I highly recommend it. Not merely did my best friend love her present, nonetheless it was a strike with the women at the social gathering. This book is cleverly come up with, delightful to look through, and a joy to own, share, or give as something special. Amazing...for the kid in all folks. Perfect for grownups Bought 2 as presents, what an awesome nostalgic look back for those of us who grew up on Little Golden Books! Everyone has "bumps in the street" throughout their lives. Looks as being a Little Golden Reserve. The illustrations are actually sweet and the texts written to go with them have become clever. I recommend this little publication for yourself or a friend. I brought it to my knitting group where many users are within their 80's and I noticed tranquil smiles. Memories flood back from my childhood as well as my personal children's and will continue with eventual grands. I gave it to my adult kids AND my adult sisters. Both remembered "Little Golden Books" from their youth. I would suggest this reserve to those readers that would prefer to existence with as positive an attitude as possible. Delightful! This book pays tribute to Little Golden Books of the past. The quotes from childhood Golden Books cheered me considerably and required me back many years. Diane Muldrow provides pulled together some of the best of the LGB library and added small items of wisdom and humor in each page. If you remember these books from childhood you provides back memories. It creates me want to talk to if there is a place where we are able to read All the Goldens ever published. Exceptional novelty item & A Treasure Trove of "Golden" Advice and Memories Like many other people my age, I grew up with Little Golden Books. I enjoyed such stories as "The Pokey Little Puppy," "Little Red Riding Hood" and "Rupert the Rhinoceros." I also enjoyed illustrators such as Garth Williams, Corinne Malvert and especially Eloise Wilkin. Highly recommended for the kid in all of us! Will order again Gave this as something special but going to purchase one pertaining to myself too. JIBLL An adorable book, really worth the money I generally don't do "cutesy" books. Great gift! Well, I was wrong!! So adorable! I saw this reserve in a

bookstore a few towns away when We was out on a day trip with my finest friend, and wished to get it on her behalf birthday desperately, but knew I couldn't purchase it there because she was with me.! For all your adults who was raised loving their Little Golden Books!!! Has colorful pages direct out of Little Golden books. Everyone approved it around, utterly delighted with the remembrances it cut back of our own childhoods.! It's ok This book wasn't quite what I expected, but it's ok. She got such a kick from it, because of course, we browse the Little Golden Books whenever we were kids.! I must not have "looked inside" or maybe that wasn't offered. I didn't recognize most of the titles from days gone by which must be long out of print but there were plenty I knew. I think it is just appreciated by those who browse the books the first time. A Wonderful Gift. I was delighted to receive this reserve as a birthday present. Reading it and, especially, seeing the full web page illustrations was a trip down memory lane. Five Stars This is an excellent gift!" There are various more "Everything I have to Know . Just what a joy it had been to start to see the illustrations from many of these much loved books accompanying practical advice for people of most ages! .). Really cute book! Favorite pieces of advice for me were from "I Am a Bunny," "The Saggy Baggy Elephant," "The Musicians of Bremen," and "Boats. Five Stars Sometimes it's fine to go old college!
