Love Everything ABOUT ANY OF IT This book really was great, one thing I wish is that she could have been more detailed about some of the things, for example like mink oil and how to locate it. This book rocks and so far as I'm worried this reserve is a classic. I will admit, when I got eventually to USA section- I was just a little disappointed because it was filled with weight loss ideas and diets, and it some what strayed from beauty remedies- which I really wanted to know since I reside in the USA. Other than that, I really like the book.! natural wonders My daughter and I loved this book. We've tried most of the face masks and well known was the coconut essential oil and honey. buy it!. a little something for everyone. =If you love beauty treatments and using do-it-yourself solution recipes.... You wont become sorry.? I didn't find the answers I was looking for. Worth the read Its not at all an entertaining reserve bc each and every page is some sort of different beauty secret. It has a lot more recipes than what I had idea. pack filled of info. Five Stars This is one of the best beauty I've ever read. After using coconut essential oil for the facial skin mask I began reading other information upon this super healthy oil and have incorporated into my cooking. You have to get this If you want DIYs! It makes me realize that edible, natural stuff are great inside and together with your body! Everything connects with character. Our beauty products can be right inside our personal refrigerator or native nation. Also, many countries utilize the same matter like essential olive oil, egg yolk, and honey. Most, if not all of the beauty recipes in the book were au organic and 95% of the ingredients could possibly be conveniently attained at your neighborhood vegetable stand or Caribbean/Indian market. It's ok It was ok. Stop Hating! I personally think those that have something to state about this book are straight up haters. I do love the actual fact that she tells the benefits of the remedies and the actual fact that her terms are so enthusiasm so it's hard NOT to try the remedies out, by the end of the day, this book actually taught me how much I didn't find out about different countries and their small secrets. Gives us a hint, right? Five Stars Highly recommended! My nails were as hard as acrylic nails after only one make use of... I also tried placing garlic into my clear base coat nail polish and it worked incredible well. One Star worthless If you like DIYs! This book is so useful This book is extremely helpful and useful. You need to get this! gave excellent beauty tips from females all over the globe. It gets right to the point and is fantastic book for bonding time (doing the remedies collectively). fun always a fun read I like Love this book!
