SAFENESS Knowledge You Can Trust I bought this to own it with my "get and go" handbag, in case of an emergency. The Red Cross has taught first aid and safety for many years, and the info is offered in a obvious and easy-to-follow format. That is part of my wedding ceremony gift to my children as I send them off. An excellent reference tool Valuable information that's well written. Consult the Red Cross internet site for your products or gov. Five Stars Very great price and well wrote easy to comprehend. It does not take the place of calling 9-1-1 and qualified EMTs or the ER nonetheless it can buy you period until help arrives.. Minutes saves lives. This is an outstanding prep for First Aid and ought . If at all possible, contact the rescue squad instead of drive the individual to the ER.. This is a superb prep for First Aid and should be used in every household. I prepare a crisis kit and include this publication and a sheet of paper for get in touch with numbers within an emergency. Personally i think confident that easily ever need it, I'll have the information that might help should I find myself on the scene of a health or safety emergency circumstance with no "professional" first responders around. It doesn't have the new CPR help lines but I remedied that with the addition of an insert. No problem finding topics and incredibly informative. I would suggest everyone take the Crimson Cross courses, and use this book as a refresher or reference to keep your skills clean.com Verbose An excessive amount of fluff, i. While that is a nicely organized book While this is a nicely organized reserve, laid out well, I am disappointed that it generally does not match how I was taught in official Red Cross Professional CPR schooling. Plenty of pictures to assist you along. I wasn't looking for the basic safety lectures. It's great but I want it had been a little smaller in size. Keep for emergencies Bought this for my crisis kit. During emergencies ie hurricanes, etc we may not have internet which means this should be handy Red Cross Publication for my emergency kit I bought this to go with my emergency kit for family members (in case we need to evacuate for just about any reason) . I simply wanted information on what to do when someone was harm or hurt.The book is invaluable.e. It confuses me, therefore i don't read it. Consider just getting an app for your mobile phone. Overall good course Good overall course to help deal with wounds, shock, bites, breathing difficulty, and heart disease., verbose. Useful Book Good book to have on hand. Seller & Reserve - A+++ A+++ Great book! No problem finding topics and very informative Great book! Browse it and familiarize yourselves with basic First Aid. Good book to have in every house. Must have! Boring to read, but lifestyle saving and lifestyle changing, period! Position there and feeling helpless if someone is wounded or in peril just isn't a choice.
