Still a Standard on the Subject Matter I bought this for my early-teens niece so she can figure out her colours and styles appropriate for her coloration and physique. Although the publication was written in the 1980s, I consider it a standard reference on the subject matter. Still the very best in the end these years!! I think this book, along with a little shopping money, will go a long way for this young lady. I wish it had been open to me when I was a teenager. .. Found this long ago and it is extremely relevant because it is (IMHO) very practical with known reasons for outfit as an enhancement for bringing out the very best in the wearer. And young ladies don't modification much either -- they still wish to look beautiful. Become familiar with your colors. What proved helpful for me was to take the 4 Periods with me when I went shopping. Eventually I could train my eyesight to know what Season I was searching at, regardless of the light in the shops.-) I am pleased to have found COLOR Me personally BEAUTIFUL by Carole Jackson again. From the center of the shop, I looked at the women's section, and stated, Ahh, they're all Autumn turquoises. I know I am a Winter. I never also left the main aisle . It was sort of a disappointment. WISH I HAD THIS Reserve in my 20's!! also use this info for interiors. I found I experienced done pretty well with the original ideas, and now know why this is the case. She have been told that gray was "in", but she was hesitating.all blends and is pleasing. She stated, "no". (Granted, for those who have family, it may not be that easy. You don't want to go out to greet your guests within an clothing that looks good on you, and sit down in a area in another Time of year that fights with you and what you are wearing. I ordered it and examine it through almost nonstop! You wish to look good in your own home. Well then, don't use it.) I love the book I feel every person must know what time of year is theirs. I recommend this reserve! Phooey.. Today it I could simply find that amazing 'tomato crimson' that looks so excellent on me... I, individually, would love to have the ability to help people find out their period!! My niece was pleased to have the book and it had been clear she was worked up about the ideas that may broaden her horizons. An oldie but a goodie! This color . This publication is a must and will totally switch how you present your very best self. And While I consent that the information it presents is normally timeless, I'm giving it 4 stars because come on, can't the writer/editor released an updated version so that it's a bit more relatable? Unless you're still wearing feathered bangs.. Amazing how everything works.. Back after that for reasons unknown I never could figure out for sure what my season was, though. I considered the book lately and looked to find if it had been still available. Knowing how to dress yourself properly never goes out of style! They need to go together.! I have two daughters. He offers even started going shopping with me, now that it is no longer the most frustrating period of togetherness, and he's getting very good at picking out an ideal styles and colours for me! Knowing your colors you can remove what doesn't look best on you and hone in on the right colors.. When I consider the grouping of best colors in my own closet, it looks so harmonious, and I must say i look and feel better wearing my colors. I just wish I could present this to people I understand. P.. Barely any use. I was so happy to see that it had been being sold on Amazon. Easy to Understand & Forget about wasted money. It's a straightforward read and very well organized. I managed to find a color swatch publication for my season, and I have completely changed my wardrobe for one that basically makes me look and feel a LOT better. I really like the book. And better still than that, nearly everything you possess will coordinate! I had purchased one years ago, and I mean Years back. Oh well, there are several other shades that I know love and enjoy! Thank you Carole (and everyone involved in the CMB system) for putting this quite definitely needed and helpful info into one concise book. We have a lot of fun on our shopping outings and we enjoy dealing with each other to a good relaxing meal afterwards. Today I look like I understand what I am carrying out with regards to both wardrobe and make-up! I've redecorated my home in MY colors (fall) aswell. I've clothes shopped once recently and I couldn't believe how easy it had been! I also found the website and the make-up is normally EXQUISITE!. Almost like new! Your day I went shopping, looking for a Winter turquoise top, showed me it's worth. I ONLY wear MY colors--thanks a lot to "Color Me Beautiful" Not long ago i became alert to her again by one of my family members meeting her. I give these apart to female close friends who gown well but a different range of colors would draw out more of their natural splendor. I found the reserve refreshing after so a long time, and in addition some tips for ladies my age. It had been helpful to end up being reminded of the times of year, the shades, etc. A member of family was redoing her home and debating between gray and beige for the living space. Plus you have the assurance that you constantly look great in your clothing . Separated by seasons (I'm an autumn). I ordered this publication because i saw an image of myself in a white outfit

and compared it with a picture of myself in a shiny colored dress... bought 4 of these books for friends. Aged book, but principals still apply. It has tear out color bedding for your pallette (for clothing) to consider with for shopping. I can proceed through a clothing shop in 15 minutes...whether it's not MY color, I don't also touch the garment. This book and the system might just have saved my relationship! Now whatever I wear compliments my hair/epidermis/eyes. My hubby thanks you too! Fun and Helpful Book I read this reserve when it was new and all the rage, in the first '80s, and I must say i enjoyed it. We can all wear every color, but have to know which color... I asked her, perform you appearance good in gray? I think this is actually the best book out there, and I probably have them all. It's an excellent book. There is no reason to even browse!!! It's a fun and easy read. LOVE this book. Apply This book has everything - color charts, examples, befores and afters and a huge amount of helpful, thoughtful information. years ago I came across cards-4 pieces, each for just one season- plus they were the size almost of a deck of cards- You could use them therefore to set against your epidermis and discover what your period is. Saves me lots of time and money.. Even the jewelry. Lucky me! SILVER! LOL What's your season? This color evaluation changed my life 30 years ago utilizing a personal stylist who utilized this book. Super book almost like brand-new! LOL ; If you're worried about the reserve being dated, it isn't. however the color samples are imprinted really small on the page, so I find it difficult to make use of them to determine what season I am. bought 4 of these books for friends. I purchased the 1986 reserve because I had dropped the original. years ago I found cards-4 units, each for one .S. (I am now 77) and experienced the swatches, which I gave to 1 of my granddaughters. ONLY BUY that which looks great on me and I know in advance what will! IN this book the written text is interesting; Proper colors on you can bring out more of your natural beauty I believe this reserve has excellent insights into how your skin layer tone and hair permit you to choose clothing that enhance your appearance. Shopping only your colours makes the whole process so much easier and truly more pleasurable. Plus you possess the assurance that you generally ... I first bought this publication over 40 years back when it was first published in the 80s. I don't have any doubt now that I'm a summer time! One a summertime, one an autumn and I am a wintertime. It became my style bible. Every friend of mine borrowed it from time to time. I resided by Carole Jackson's advise in this book. Right now when I shop I only look for MY colors in a shop. Purchasing only your colours makes the complete process so easier and truly more fun. I really appreciate and worth her concepts of color and how they relate with the coloring of the average person person. I became familiar with COLOR Me personally BEAUTIFUL by Carole Jackson when she wrote her first book in the 1970's.
