It is estimated that three to five percent of the adult man population of the United States feels the need, at least occasionally, to clothe themselves in women's clothing. Judging from enrollment at her academy, Miss Vera would state that figure can be low." In Miss Vera's Finishing School for Boys Who wish to Be Ladies, she proves conclusively that, after a long day in wingtips, there's nothing like slipping into a pair of spiked heels. With sparkling wit and dazzling insight, Miss V gives us the 411 on body hair, foundation garments, make-up, and dressing, in addition to offering invaluable advice on Creating a Herstory (locating the real life tale of the femmeself within) speech, manners, walking in high heel shoes, and--that biggest step of all--going out in the real world all decked out. In her new publication, she shares her priceless wisdom with the globe. Amply illustrated and filled up with the real stories of learners and graduates, Miss Vera's Finishing School also offers a remarkable history of how the Academy came to be, and also Miss Vera's own incisive gender manifesto. Veronica Vera founded Miss Vera's Finishing School for Boys Who wish to Be Women in 1992 and started a gender revolution. As we step boldly toward the new millennium, many more folks will be carrying it out in high heels," says Veronica Vera. Working from the pink palace of the Academy's intimate Manhattan campus, she has helped hundreds of college students embrace and expert Venus Envy through her professional instruction in the arts of dressing up, making up, going out, and acting like a lady.

OUR WAY loved this book!! This is simply not only an excellent story, but a superb publication, beautifully come up with and laid out and at a great price. The night at the fantastic DFP Fashion Present I had been 'mom of the groom' to Tiger as she crossdressed as the successful suitor in the wedding finale Mistress Lisa orchestrated that night.com to purchase it. (I'll adhere to that up at the end of the review.) I'm tempted to contact this a paperback, but it's far beyond that in top quality layout and high grade pages of artwork and photos. Each student is required on entrance to create a 'HerStory' for her first 'homework'..You will see many of her fantastic alumni within text in addition to photos and marvelous descriptions of working out and experiences that they had with the curriculum. I came across it a delightful pleasure to choose it up every day as I woke and examine more and more in peace - and while fresh and eager to find out more about this fascinating Academy. Aspect splitting yet profound. There I got attended at least among her seminars with another dean and of course drooled over her Jennifer, College student Council President as 'she' regularly gained the Sissy Maid contest the night time of the Formal Balls. I noticed regular references to the support the Academy gets using its students by a lady described as 'Tiger'. Particularly if you utilize Amazon.What better approval can I share with Miss Veronica Vera because of this excellent edition depicting a lot more about crossdressers along with this outstanding Academy. Everything concerning this reserve is usually professional from the well written text message by Miss Vera and the artistic context and design. On top of that, she portrays their background and psyche that brought them to her institute and how they matriculated as girls they wanted to become.Ms..It's just not here.The reader will find this an excellent 'how to' book filled up with much help they want along with places and references to help in learning more. All it had been ,was one lengthy advertisement for her shop in NY.Fun stories and anecdotes don't do the trick.There have been a few small tidbits occasionally, and a little about how exactly to get themindset going, but we're "boys" that want to be "girls". The cover and back again is hefty slick share with clever fold-in web pages that serve such as a cover for hardback books. No matter where you stand on the subjects of cross-dressing, fashion, sexual orientation, or morality - anticipate to view it all from a totally different perspective.It will come as no surprise that Ms. Fun Fun Fun This book was so fun! She's lectured at major colleges and universities and you'll find some of those explained in this reference function.. It's a masterpiece with great artwork and design that exudes the thoroughness and skillful preparing and execution which has obviously gone in to the Academy as well over the years.My first comment, is that if your searching for a "how exactly to" guide,this is not it. You might put it down a few times to savor it -- but you will pick it back up at your first opportunity to read more and surface finish to the end.You will most probably wish or yearn to be a student and may realize that the tuition will be high and out of reach for almost all.. It's a best purchase at the marked cost of \$14.95 and by using Amazon.I went right to [http://www. Miss Vera has experience with cross dressers and makes one feel relaxed and approved.com](http://www.MissVera.com) (Earth's Biggest Book Shop) you'll find a discount cost of just \$11.Amazon.One of the things I came across exasperating is when you'd "show the girls" how exactly to do something, like smoke cigarettes a cigarette in a feminine way,but didn't bother to show the reader how to do it. Simply use that subject for the search engine, Veronica Vera, or the name of any publication you are looking for and you'll be there in a click. It had been very secure for my credit card and I experienced an instant receipt by Email along with notification when it shipped within a few days.That is a book and a service you is going for! Great service, just like ours!!!Bobbi SwanEditor and PublisherOUR WAYA regular publication for Crossdressers[. Vera's history and biography flows effortlessly throughout the book and adds

immensely to her credibility, capability and capability to found and achieve the success she has discovered with the Academy. This tome was not produced instantly.] Perfect Finishing College for Sissies If you go through Miss Vera's Cross dress for achievement then you can follow-up with this reserve and feel like you have completely succeeded in transforming yourself into a sissy girl. Five Stars My young tranny disciple adored it. Georgina Spelvin just what every crossdresser needs the bible of crossdressing , really worth the money pity its located in the usa, i just cant put it down it's full of fun stories and anecdotes of various students I'm sorry Vera. I'd like to respectfully disagree with those reviewers who criticize Miss Vera's book as an excessive amount of an advertisement on her behalf business. In the book's introductory materials she says that what she attempt to do was present people who couldn't come to NY and experience her school some idea of how are you affected there. you will not be disappointed. The publication may read such as a commercial to some Perhaps, but I came across the publication interesting and useful. I'm a transgendered one who would LOVE to knowledge Miss Vera's school, but as this will probably hardly ever occur, I'm quite satisfied with the publication. Would that it were longer! Add to that the acumen of a top-notch business female, willing to talk about her secrets of achievement with her reader, and you have got not only a delightfully entertaining browse, but a whole lot of downright advice. Ever wonder in the event that you were the only one man liked to dress up as a gal? There are many of us, and Miss Vera's information gives straight forward suggestions and a sneak peek inside Miss Vera's Finishing School, browse the book and if you dare book a scheduled appointment at the school (it really exists)! 96 plus delivery and handling. The fold-ins also may serve as placemarks although Amazon provides one with each issue of theirs. But the price of the book is not. She's going to provide a positive evaluation of it, don't you think? I was zero stranger to Miss Vera and many of her deans after many of Constance's Dressing For Pleasure occasions... And that just units the stage as her pupil begins her lessons to become the girl of her desire and fantasy -- usually greater than that as she matriculates and `comes out'. Miss Vera is 1st and foremost, an excellent journalist. You are not alone! I've with all this book to many of my best friends, gay or otherwise. The lady does just what she said she'd do. I'm sure you possess a lovely school. It's said that you may not be able to tell a book by its cover, but that one proclaims great points coming when you open it and commence your journey through its pages. Sure, it's full of fun stories and anecdotes of various students, but that's about the level of it. As you read it becomes evident that many of her outstanding methods were developed as the Academy matured. It's an excellent read for the spouse, along with, the curious that desire to learn more about the crossdresser and who we really are. I think the positive reviews were written by people that don't actually want to "learn the ropes" as they say. Great read for CD's Don't waste time Don't waste your time with this book. And it is entertaining. "boys" that want to be "girls" aren't looking for entertainment. We're searching for details. It's no wonder that her Alumni and professional associates keep her in such high esteem. com on the web and found this main book supplier that also handled a few of the better reference books for transvestism. Vera is an accomplished author, having written through the years as columnist for national publications. They saw it for the entertainment value. I was hoping it would offer ideas and help with several thigs from makeup to clothes. I loved the personal experiences of her students and am confident that most of the readers will see themselves here someplace.
