

Mary C. Morrison

Let Evening Come: Reflections on Aging

continue reading

A daring, yet gently written reflection using one of life's most significant periods, Permit Evening Come has the sensitivity and humor that will appeal to readers of any age. The writer shows how selecting gallantry, dignity, and a positive outlook amid the adjustments aging brings is possible and satisfying. Without glossing over the adverse and depressed feelings that this could cause, Morrison highlights the advantages of relaxation, pure pleasure, and period for reflection that old age may bring. Morrison explores the adjustments that take place as one ages, the gradual movement away from the guts of life--work, family, community--to the periphery. Mary C.

Must have book simply because we age.. Mary Morrison is an honest, compassionate and generous writer. Most reassuring I am a psychologist/therapist. Am so very pleased to have discovered it. Embrace the shifts in life I loved this reserve. Wonderfully reassuring. I purchased several copies of the wonderful small publication some years ago and also have distributed them to customers and family over 75-80 years of age. It encourages us to rest and enjoy where we are in life, to check out the positive, and to embrace the changes.Read and enjoy! Invites re-reading The collection of journal entries give it authenticity. I read the book once and then returned it to my pal. The type of life's progression sometimes appears as a trip influenced by the willingness of an individual to be completely present. After the first reading, I now pick it up and browse at random. After a week-end check out in which I talked about it with my daughter, she asked to borrow it. I am age eighty-eight and she is fifty. Five Stars Full of wisdom A Most Kind and Insightful Gesture of Help "Let Evening Come", was loaned to me by an 83 calendar year old friend. Four Stars deep -insightful discussion of the mystery of Aging The truths in this book are insightful and comforting.. It avoids any feeling of a lecture. Applicable to understanding ageing process Very meaningful to even more positively accepting aging. "Allow Evening Come" is a gift for any age; it is about existence and surviving in grace. The reader learns a great deal from this reserve and is normally reminded of the area in the center where age group, if we are lucky, awaits people. Five Stars Gently beautiful book simply by the mother of a dear friend. This book was a loan and I couldn't bear ot having a permenant copy. This is a wonderful reflection on ageing-- a time of peace in understanding who we really are. This publication means a lot to those I've given it to. It was created with such wisdom and sensitivity. Excellent book for seniors This book needs to be re-printed. My partner has prouided multiple copies as presents, but they're getting uery difficult to scrounge. I am purchasing my own copy. That is a gem of a meditation on ageing . It includes priceless wisdomn. So very much calm wisdom in such useful economical prose So very much calm wisdom in such useful economical prose. Since I received it as something special more than twenty years ago, I'ue read it again and again. That is a gem of a meditation on ageing.. I'ue also prouided the book to close friends. I am 52.
