American Indian Costume

DSEPHINE PATEREK

"A businfully produced and discrepted reference that offers complete descriptions and cultural contents of the description and processoration of the North American Indian technic." — Back North

Josephine Paterek Encyclopedia of American Indian Costume

"This impressive reference function took ten years to write, and the waiting around was well worth it. This beautifully designed publication contains more than 150 photos and illustrations. The Encyclopedia of American Indian Costume offers total descriptions and cultural contexts of the gown and ornamentation of the many nations that have shared this continent. Voted an Outstanding Academic Book simply by Choice 150 photographs and illustrations, who understood and were in tune with the changing vistas of the North American continent. Practical, yet with an eye for beauty, these peoples clothed themselves in a huge array of styles that II be forgotten unless preserved. Choice Slipping away from us nowadays of the homogenization of culture will be the traditions of older societies, a few of them dating from 9000 B. The reserve is split into ten cultural areas, with each chapter giving a synopsis of the regional clothes. Tribal information includes men's and women's basic dress, shoes, outerwear, hair styles, headgear, components, jewelry, armor, special outfits, garment decoration, face and body embellishment, and transitional outfit after European contact. Nothing at all of the scope and magnitude upon this subject has been carried out before.C.

Good Info and history lessons! Add it to your artwork reverence library. Very great if you are looking to have significantly more understanding of the peoples themselves. Five Stars Utilized as reference for my Breyer Equine costumes Beautiful A beautifully illustrated publication with a plethora if info on Native American dress. It is even more of a learning tool, not a study within their clothes. Ms. Paterek aims at studying the cultures of the Native peoples over the land by telling us tribe to tribe, who these were, their cultures, appearance, clothing, areas where they flourished and society. Highly recommend to anyone thinking of making new regalia. very nice boo, excellent resource very nice boo, excellent resource. Three Stars all pictures are dark and white . now then, if you are searching for a picture book, look someplace else, there are a lot of those books out there. Five Stars Good resource Five Stars GREAT Nice reference Book Great photos of different Native American regalia from additional references I think it is all authentically portrayed. Not really what I expected
