I really like this book As a mother or father, I love this book. My 13 year old daughter and I examine it collectively and had some amazing conversations. Adorable book for preteens only engaging in make up Adorable book for preteens only getting into make up Five Stars Great publication for my granddaughter who's "experimenting" with makeup.. Five Stars Grand daughter loved this Lovely book for developing teenagers Bought this book for my granddaughter who just switched 13.She lives several hours from me.She called me in the phone to state " GRANNIE " I really like this book, thank you so much. MORE THAN JUST ANOTHER MAKEUP Reserve! Carmindy is indeed encouraging! Loved it. Superb info for young girls. Loved this new Carmindy book! Recommend to anyone who knows, has, or is related to tweens and teenagers. Girls in the reserve are spectacular and an inspiration for young girls. Excellent info for young girls First got it for my 14 year previous granddaughter, but experienced to learn it first. Great buy!I believe that speaks volumes. She also suggests polite methods to deal with unfavorable remarks from others. Carmindy offers used make-up and self-improvement recommendations (something all young ladies can relate to) to guide young women with audio, sensible solutions. The make-up guides alone help the girls to enhance what's all ready there, rather than likely to some gaudy severe that would generate bullying. In this era of 'BULLYING' there have become few credible books geared to the teenage and preteen age group that explain the problem. This book is a must for any mom with a teenage daughter. This book is crucial for just about any mom with a . My daughter references it frequently and since I'm not a fan of heavy makeup and thick dark eyeliner, I'm thankful she can hear another person's educated opinion on it..BRAVO CARMINDY! It provides sound advice and suggestions for pre-teens, and teens. Big thumbs up!
