Friends Forever Wherever Whenever: A Little Book of Big Appreciation

[continue reading](#)

Happiness professional Karen Salmansohn presents a colorful present reserve that celebrates the most effective reasons for having friendship--from the silly to the supportive--all with her patented brand of humor and wit. Close friends Forever Wherever Whenever lets your friends know they're priceless, whether you've known each other for years or just recently met. It's a great and loving present to provide besties for birthdays, vacations, or when you are feeling they need some cheering on or cheering up! It is the perfect method to let favorite close friends know how much they are cherished and to inspire them with words of encouragement--while making them laugh so hard they snort their Caramel Macchiato out their nasal area. Inspired by self-help guru Karen Salmansohn's popular illustrated witty sayings, this humorous and stylishly designed reserve illustrates the sweetest, craziest, truest, & most memorable things about friendship. There are an incredible number of reasons to appreciate friends and family, and this adorable gift book covers the top 50 of them!
