Too many people 'flunk' retirement--even after a lifetime of hard work. Why? Either way, you may need a passion that provides you grounds to get out of bed each day time. And many more questions (and answers) to make sure a happy, fulfilling 'next phase' of lifestyle. My Next Phase--highlighted in The New York Instances, BusinessWeek, and The Washington Post--offers a groundbreaking, step-by-step process to figure out your personal "Retirement Style" and creates a unique retirement plan predicated on who you are. Take the My Next Phase quizzes and discover:WHAT'S YOUR SOCIAL STYLE? If you're outgoing, you'll need companionship through your times, whether you leave your job or keep functioning. If you're responsive, you will have to pace yourself.WHAT'S YOUR Tension STYLE? If you are resilient, you'll push you to ultimately find challenge--and obtain bored without it. If you're contemplative, you will need solitude and also social connection to discover the fulfillment in the years ahead. Because they only anticipate their financial needs, not their emotional ones as they move into the next thing of life. If you're structured, you'll prefer to schedule your time and effort. WHAT'S YOUR PLANNING Design? If you're flexible, you will want a freer, much less scheduled life. The main element to an effective retirement is based on your character, NOT in your money.
