Oliver Sacks

Everything in Its Place: First Loves and Last Tales

[continue reading](#)

From the best-selling writer of *Gratitude* and *On the road*, a final volume of essays that showcase Sacks's broad range of interests--from his passion for ferns, swimming, and horsetails, to his last case histories discovering schizophrenia, dementia, and Alzheimer's. *Everything in Its Place* is a special event of Sacks's myriad interests, told along with his characteristic compassion and erudition, and in his luminous prose. Oliver Sacks, scientist and storyteller, is beloved by readers for his neurological case histories and his fascination and knowledge of human behavior at its most unexpected and unfamiliar.
