Creative, Empowering, and Practical Style Workbook! as I prepared to head back to the workplace We was faced with a closet filled with relics from careers past. I never knew how badly I needed help getting structured and finding my own personal style, but now that I've this publication I can't imagine my entire life without it! The information is creatively and practically laid out to assist you find your look using worksheets, flow charts, and all kinds of useful details! Melanie helped me to understand how my personal style could be hiding in my own way-too-full and not-quite-me personally closet. Reading this book also felt like hanging out with a good friend - an excellent friend who occurs to really understand her stuff and genuinely desired me to reach your goals! Transformed my closet and my mindset! I cannot recommend it enough! Well worth it. Now, I can quickly and confidently get dressed every morning in clothes that keep me searching professional and trendy! This is great! :) Many thanks Melanie! greater than a book! This workbook allows me to question myself relevant questions and really narrow down what's vital that you me. I actually Want my closet once again and got rid of more than half of my clothes!! Right now I open up it and truly like my closet; such a better start to the day. The author makes me feel like we are good friends. Melanie breaks it straight down simply, creatively and helps it be all so very much fun. Essential buy! I'm well informed when I obtain dressed in the morning than I ever was before and for the very first time ever I'm not really anxious about the seasons changing because I understand this book will help information me through transitioning my design and my closet! This completely color workbook feels similar to a coffee table publication and is worth the money for certain..! Transformed My Closet and My Style! I used to wake up each morning and get frustrated the second I opened my closet. OMG this reserve is amazing!. I acquired a baby recently and there is nothing fitting me the same, plus I felt just like the points I was normally drawn to didn't appearance the same on me as my body had changed. I would like to feel like the aged me rather than be a frumpy mother, but be an improved version of me. I turned to the Confident Closet to greatly help me refresh and find my wardrobe voice again. This book changed all that! It did not feel just like me and I craved to put my best foot forward. Melainie helped me to begin to check out myself first, and then helped me to shine in my style.. Melanie helps it be so easy to determine what's likely to make me happiest with regards to style.s. can you come live with me and help me obtain dressed every day and go buying constantly ha ha! I've spent years sense like I had lost a few of my personal design and this book is helping me to find that again. The book is fun to undergo, but you'll leave knowing precisely what to do for your own personal style. I love the way this book broke everything straight down for me - in order that tackling a closet that overwhelmed and disappointed me actually became fun. This book has a great deal of useful style ideas - but my favorite part is how Melanie actually helped me realize why I felt so frustrated by my closet and just why my bad habits were performing me such a disservice.! It's a week-by-week guideline/workbook that helped me clean out my closet, understand my style and understand how to accessorize.! Most of all, the publication helped me tell myself it's okay to forget about things I don't like or make me feel good about myself. This publication helped me purge and organize my closet, and buy the essentials I needed to complete my wardrobe.! A Book + Ideal Friend + Resource Information All In One! Helpful tips that really stick with you After having two babies I experienced lost in my closet. I LOVE THIS Publication! It reads as an helpful book, resource help, workbook and a best friend's letter to you, All in One. The best part of the book (beyond the fun design and stellar suggestions) is that you could (and can) revisit this book, time and time again. My strategic brain loves how Melanie is able to infuse her creativity and break it into practical "how exactly to" steps.! Melanie is so good at what she will and she goes DEEP into teaching you ways to get your style, confidence and appearance together. It's a source guide you can use and make reference to as your style and life style evolves. It's like having your very stylish best friend in your back again pocket to ask those queries you wouldn't ask other people. I significantly, can't recommend this reserve enough!! This book is a new personal favorite! What trapped out to me 1st was the gorgeous design and beautiful way this publication flows. This book is useful more than enough to live by your

bedside but appears so excellent, it could embark on a coffee desk. I actually acquired fun (yes, fun!) re-examining my closet and the items I learned have certainly made my mornings less difficult. I truly gained a whole lot of self-confidence from the suggestions and info I found packed in this publication and can say without issue that there surely is something inside this publication for everybody!. I literally approach buying differently now and feel more confident making decisions. Changed just how I get ready in the morning I always thought I was pretty good at staying along with the clutter in my closet and just having stuff around that I loved, but this reserve helped take points to the next level! Not merely does author Melanie give me the tools I need for style success, but she will it in a manner that makes me feel great about myself. And p. This is a lot more than a book. There basically aren't a lot of tools like this out there and it's something that can help you see the stuff you don't know that you do not know! Like wait around, why am I keeping these clothes from pre-kids? I am a teacher, therefore i have very little period to get dressed in the morning hours. Also, looking and feeling best for my long function days is crucial. So appreciative I came across this gem!.. Love this Workbook! From her approachable, fun, creative, and kind demeanor, to her insight on what clothing choices and personal style can be an expression of our true selves, Melanie was a powerhouse of tips, tricks, understanding, and personal insight .. Enthusiastic about this book! Before I read it I was therefore frustrated with my clothing and experienced no idea what things to wear or even what to buy. I was never overwhelmed by the procedure, but instead felt empowered... Melanie helped me to find my own way rather than setting rules and parameters for what's in and what's not.. Many thanks Melanie! And it helped to re-inspire me to avoid being a lazy mom and also care about my appearance and make some time for myself to accomplish my hair and make-up so I feel well informed and like one of the cool moms that I stalk on Instagram. Plus she reminded me to accessorize that i chronically forget!. I'm so excited to discover what's next for her!! Melanie writes like she's speaking with her BFF on the phone and makes styling therefore extremely easy and approachable. From someone who wears denim jeans, t's and toms all day long, she actually made me think about so much of the topics she introduces in the Confident Closet. This book is amazing! OMG I'm LOVING the Confident Closet This book is freaking amazing. Confidence comes from within and she really makes all of this totally doable and fun!! But I got no idea where to start. Now each and every time I'm purchasing or getting dressed I channel Melanie's voice and determine if I can purchase or even keep carefully the piece involved. My closet (and truthfully my budget too) haven't been happier. Stepping back into the workplace with confidence! This book couldn't have to come into my entire life at an improved time... As somebody who hates clutter, yet is intimidated by the process to streamline, this publication has been life changing! After two kids and a change in industries I found my closet irrelevant and ill-fitting. It helped me to completely clean out clothing and components that no longer fit me or didn't appear good anymore, and figure out what to buy that produced me feel stylish and flattered my fresh body. Melanie's book helped me narrow down what I really was looking for, needed, and fit my own body so I could step into the office with self-confidence. One of the best parts were Melanie's ideas for tackling my underwear and make-up drawers. It offered me the tools I need to streamline my closet, which includes actually produced my mornings EASIER despite needing to accomplish so much more by 8am than I was accustomed to!.
