Semi-Helpful I purchased this reserve as study into period gown for a novel. When researching the style of a particular historical time period, ideally you want to be able to look at the physical garments worn at that time. It's nice to have a resource that I could draw from my shelf and refer to frequently, but this book did not turn out to be the one. This was very helpful. Outfits from Harper's Bazar 1867-1898," edited by Stella Blum. Visit many people from the 1800's Decade by 10 years from the 1840's and on with photos and studio settings of persons. It contains helpful descriptions of the fashion trends in each 10 years and the pictures do give some notion of what folks were wearing, but most of this info is available for free on the Internet. How can you doubt the reliability of the fashions depicted in an image when it was used the actual time period you're researching? It will help to help you through what folks wore during Victorian period by showing you photos of people from that time in their finery. However, unless you are lucky enough to have a huge museum or costume collection available, that's pretty much difficult. This book is a great resource and I highly recommend it to anyone thinking about historical costumes. It not only depicts clothes . I used it beneath the advisement from Dungeons and Dragons game designer. Five Stars A fantastic coverage of the history of Western style as captured in photographs. Books such as this, which feature selections of period photographs, will be the next best thing. This was very helpful. Nice Pictures I love the Victorian change of the century which graphic book displays what the people were wearing during those period with the actual photographs from that point period.. white) photos to check out. Instead, I would recommend "Victorian Fashions & It not only depicts clothing of the well-to-perform but that of the not so well off as well. Excellent reference book I purchased this book to increase my collection of books that I have regarding antique fashions. This reference guide is informative and has many (black &. I'm glad I bought it. Excellent Resource I'm a Theatre Costume Design student, and in theatre accuracy is key. Great for Costumed Interpreters If you are needs to do living history (costumed interpretation), then this publication is for you. unfinished good enough--more later Fun and interesting resource Sometimes the only method to pinpoint a time is to look at the clothing your relatives are wearing! Fun and interesting reference.
