A GREAT RESOURCE!! I bought this book for my teenage child who is very thinking about historic fashions. This publication is wonderful as it is arranged chronically and illustrates the change in 'fashions' from 1860 to 1914. The pictures are beautiful and very well completed, and easy to understand the detail of the dresses, swimming clothes, riding practices etc.! Great design with a lot sketches.. Great book! Great illustrations and descriptions make it an excellent addition to her library. I am not Cinderella, but I do get to go to the ball once in a while, and I wish to be as historically appropriate as possible! Great for those that want accuracy. My one and only complain is that I'd have adored to get fashion good examples from the early victorian period If you are searching for a comprehensive book about victorian fashion, this is it! Five Stars We thought the drawings were ideal for a report group. My one and only complain is that I'd have loved to get fashion examples from the early victorian period, since it is something extremely difficult to find. Four Stars good for price Worth every penny. Stunning Stunning photos of fashion plates. I would recommend this publication to all re-enactors of the historic timeframe. She said it was a great reference and she will use it a whole lot in her business. I purchased this for my girl who offers and collects vintage clothing. colors used A wonderful addition to the reference library.I love it for a reference guide for clothes &. I have used this publication as a source to help in creating historically accurate Victorian ball gowns.Highly recommended. look no further. All drawings. Provides clear and concise description of what was put on and how fashion blossomed. Excellent Historical Chronology Only wish it had been in color. No photos.The just drawback to the book is that it offers you so many ideas, it really is really difficult to decide what things to sew next. Nevertheless I was very satisfied with the book.
