Too Outdated this is a little little paperback in black and white. In fact it is tiny (less than 5x7) with paperback pages. Old styles no color . Didn't meet my expectations I actually was originally excited to understand this book, but must have read the reviews more closely. thank goodness I just bought one. it has a few scarf ties for your throat, body wraps and other designs. If you are searching for current styles this is NOT the publication to get. This is an excellent book for those who wear scarves and do not how to arrange them and I don't... This is a great book for people who wear scarves and don't how . I recommend this book, it had been just what I was looking for. SO very OUTdated.I like the many tips for tying scarves, but some are just not feasible for this day and age. Wasn't what I expected. I wish I would have spent a little more \$\$ on a reserve with color webpages and with an increase of modern styles. Very disappointing, and wish I'd spent my money somewhere else. Three Stars Not that many excellent tying options. A little difficult to comprehend This scarf book was ordered with 3 others similar to it. I liked that one the least. It had been not very particular about how to put your hands. And I'd have enjoyed it better in color. Don't waste your cash I've gotten better scarf books free of charge from department stores. That one is filled up with poor drawings and poor descriptions on how best to tie the scarf. the styles have become old rather than for current moments. I wanted a book with 44 neck scarf tie tips, but instead got a book that also included head and belt styles which I am not thinking about.. On the 62 web pages. The book boasts "44 Great Methods to Change a Scarf right into a Fabulous Fashion Look" And addresses such subjects as: Creating a basic scarf wardrobe How exactly to fold a scarf Neckline accents Ties Waistline wraps Multiple scarf dressing Soft Flings (flip one end over your shoulder) Sun wraps Cool searches for hot times Head wraps Hair Accessories Instant dress-ups Scarf tips and tricks Tips for easy care Five Stars fun and easy to understand from Wasn't what We expected. The instructions are black and white sketches with motion diagram arrows. The scarfs cover what appears like silk cotton and a few knitted. On the 62 pages. The book boasts "44 Great Ways to Convert a Scarf right into a Fabulous Style Look" And addresses such subjects as: Building a basic scarf closet How exactly to fold a scarf Neckline accents Ties Waist wraps Multiple scarf dressing Soft Flings (flip one end over your shoulder) Sun wraps Cool searches for hot days Head wraps Hair Accessories Instant dress-ups Scarf guidelines Tips for easy care A scarf is a lot more than an afterthought This book is designed more for an inspiration when compared to a practical application. However I did look more carefully at the section on how best to tie a scarf such as a tie and it looked just as apparent as any tie instructions I have scene. The instructions are dark and white sketches with movement diagram arrows. The designs in the reserve were very simple and straight forward A scarf is a lot more than an afterthought This book is designed more for an inspiration when compared to a practical application. The scarfs cover what looks like silk cotton and a few knitted. Nevertheless I did look more closely at the section on how best to tie a scarf just like a tie and it looked just as very clear as any tie guidelines I have scene. I would not recommend this unless as the one picture teaches you want to have a huge scarf, tie it around your upper body, then bring it down and pull it through your legs and draw the ends forward to make a strange looking style summer outfit.. One Star Very aged edition, from the 1980s Sensational Scarves It didn't present me some of the intricate ways to tie a scarf that I have seen other folks wear I was extremely disappointed . Some styles were popular years back, and are not trendy today. Older designs no color pages. Five Stars great book Five Stars Great book for those folks who are significantly less than fashion savvy!
