A worthy read I'd strongly suggest! Predator! He writes on a complete other degree of depth featuring how the segments originated in 2004, what he believes feel the minds of the predators, interviews with victims of past sexual molestation experiences, and recollecting the investigations kept in the first several stings in NY, D.C., LA, Greenville, and Fort Myers. A worthy browse I'd strongly recommend!. Also check out his brand-new series Hansen v As a fan of his investigations and focus on his controversial To Catch a Predator segments on Dateline NBC, Chris Hansen digs deeper in to the realities of dangerous/potential internet sex predators than any interview ever given on the tv screen. This is not what u ordered this is all audio & EXCELLENT READ This book is crucial read for all parents with kids online. Great book It was a great read, learned a whole lot about the actual present "To Catch a Predator".] Very informative After watching Chris Hansen's To Catch A Predator investigations I decided to give this book a browse. Love it! Hansen provides greater detail in what occurred during some of his investigations and discusses true victims of internet sexual predators.It really is scary just how often this happens and parents need to protect their children from these predators. \$24.. An inside go through the MSNBC series of the same name, this is a "can't put it down" publication that opens your eyes to the internet of the sexual predator / child molester. Another homework requirement, however the price was great. Not really for everyone, I wouldn't suggest this publication for children. but the price was great. For those who have small children or grandchildren who make an online search, this is a "must browse" for you. I wouldn't recommend this book for children Disturbing and definitely well worth a read. Buy this reserve!.Chris shows us just how easy it is for these predators to get to your children online.If you want the to capture a predator displays on dateline you will like this book. he also tells us in what happens to these folks after getting caught as well as these guys loved ones.This book is crucial have for parents.an extremely interesting read! A Good continue reading behind the moments from it show and what is going on out in the real world. A Good continue reading behind the scenes from the TV show and the proceedings out in the real world.. I love Chris Hansen and was an enormous fan of his undercover investigations including To Catch a Predator. This was not what u ordered this is all audio .Also have a look at his new series Hansen v.. I. it's not even clear. I wanted video I'm extremely unsatisfied. It is necessary to know the risks of internet predators and what can be done to protect children and teens. This is just an audio. By no means again. I ordered what I thought was a VIDEO for my adolescent women for a treatment movie and was VERY disappointed!gg my foot!. The book discusses the show plus some of the predators that arrived looking to experience what they thought had been under aged children. I ordered what I thought was a VIDEO for my adolescent women for a treatment film and was VERY disappointed! Brilliant, Chilling and incredibly Compelling! Great read Love this book. This publication captures his encounters word for word from his display and it will go a whole lot deeper into Chris Hansen's reflections and tells the chilling tale of some people who got caught up in this globe. I must state I was impressed, shocked, disgusted and informed at the same time.
