Having a blast! I really like this little book. It is also my estimation that completing any of these fun, creative duties will be of enormous assistance to authors experiencing writer's block.! So I consider it with me and function in it when I'm stuck waiting someplace. The exercises definitely require creativity, but lots of the exercises are brief, so it is easy to work in an exercise here and there. Don't most of us need more inspiration?! I'm so glad We decided to purchase this fun & I am convinced that it will be a blessing to them just as it's been for me personally. Every web page presents a problem that forces you to dig deep into your innovative subconsciousness and to step out of your creative comfort zone. Bah, Blah humbug Hated it good questions Makes the think, great questions damaged damaged Two Stars Need more creative for „a creativeness journal" This is perfect for those that enjoy tapping into their own creativeness and minds. I think you're likely to do one workout every day, but I don't. This was a gift to my grandma and she truly loves this interactive journal to inspire her mental creativity! What could possibly be better than that? creative book. Makes the perfect gift for just about anyone Makes an ideal gift for just about anyone.I have stumbled upon a couple of exercises that didn't help to make a lot of feeling, but they're few in number, so the book is still worth the price. A Must-Purchase For All Artists! This book guides you to sparking that motivation light each day! friends. It's little, so it ties in my purse. These are ideal for teens These are great for teens! Excellent book and a good idea for the brand new year! We bought three! I bought 2, one for my child and her friend to allow them to pick a page and do the same web page and show each other later! Fun! This book is a fun and inspiring little wonder. Four Stars I purchased it as a gift, but seeking through the book beforehand makes me want 1 for myself. Nice gift! I have already decided to purchase more of these books as gifts for family & Very cute gift! I really believe that after time and much practice of the tasks and completion of exercises in this reserve, extraordinary outcomes will occur.
