Trying new things can be a bit scary. Do it now - Try something brand-new and BE BRAVE!
Whenever a trail in to the woods tempts her, she decides to lead her cousins on a hike. It is tough and they get tired, but the discoveries they make about the trail and themselves empower them for the next adventure. Every time they tackle a new challenge, they are more brave, and sharing these experiences with family and friends makes the journey fun. Bravery comes with each new stage, and the rocks they collect soon represent how effective they can be if they just try. But Anabelle is a brave young woman, and discovers that she gets a bit stronger each time she faces a challenge.
