Infant Massage from Head to Toe: A Basic Guide to Infant Massage

[continue reading](#)

Among the most developed senses at birth, your newborn baby's lifeline is touch. In this informative guidebook, *Infant Massage* from Check out Toe, infant massage therapist Alicia Jackson gives parents of newborns the essential information you need to provide your baby with essential tactile stimulation as well as health benefits like: *A loving, secure, bonded relationship *Potential reduction of gas, colic, and constipation *Potential upsurge in baby's weight *Reduced tension hormones in baby If you're looking for the main element to creating a special bond between you and your baby that also promotes physical wellness, *Infant Therapeutic massage* from Check out Toe may be the perfect device for you! The more you give healthy, loving touch the even more your baby will thrive.
