Basic Cuts and Easy Directions I had this book back the day and used it to lower my husband's and my kids' locks.! Haircuts listed still work, and the instructions are easy to check out. Cool book This book definitely includes a lot of pictures, a lot of older hairstyles but it is quite informative for the basics.!! Thank you. It may be best for somebody who is a true beginner.!! The method for layering appears backwards. Most of the instructions were common sense...!! I somehow dropped it in a move, and was thrilled to find it on Amazon..! a lot more than 5 superstars.I love it ! this book has plenty of useful information Despite the fact that it's a tad out of style, this book has plenty of useful information One Star Not very helpful.! Item in defined condition.! It was for a present-day, and he enjoy it. Thank you.! No frills VERY simple, with directions for a couple simple styles. Just okay It will be better if there have been photographs rather than sketches.! more than 5 stars.I love it ! Excellent ! I was looking for a good place to start and this publication is perfect for that. Excellent !! It was for a present-day, and he enjoy it. I'm no expert, but I didn't learn much out of this book. Five Stars shortstop shaggy heads Three Stars This book is dated but nonetheless contains practical information about cutting and shaping hair. Two Stars old and outdated.!. Cool Publication to save money Cool retro book about cutting hair.very worn
