Immature content. To sum it up, it's about cursing people's names, eating ice cream, and making yourself feel better by making others feel or appearance pathetic. So, flush those nasty loser ex bfs and treasure the very guy you are internet dating now. I possibly could tell it had been a while since it had been created. Was quite upset over that loser for a bit. Best post-breakup book ! So, 4.5 months since I was dumped. Love this great book! Thank you for the fairly sweet book. I visited him twice in 9 weeks. I did it because I thought he was "the one". I would like to assist you in any way I could because I know everything you are going through. Got dumped after he received news that a girl he cheated to me with got pregnant; W/o gossips, without taking sides.. She moved in with him 3 weeks after I visited, and now he is the most happy dad to be. In the event that you should be encouraged without all the stupid nonsense of most self help books, this is the one for you personally.. It made me laugh and not cry, so it offered it's purpose. Highly recommended Laugh out really difficult and moved on.. I liked it for what it had been, entertainment. I brought this book about 7 mths after an ex bf disappeared. The many childish viewpoint ever offered in a reserve - it's ridiculous. Hi, I have never written any reviews and don't plan on building a habit of it, but I understand what it is to be truly heartbroken. But somehow I felt I was still allowing myself obtain hung up over the past and not actually treating my bf the way I should. I did exactly what was suggested in the publication, assumed that ex and his brunch of loser friends are dead and just delete them from my life. Its a funny book, help to make u laugh. Also, it felt very dated to me;. I would recommend it to someone appearing out of the unhappiness, as a comic relief.. I'm in my own early 30's which means this has been a tremendous shock, not something you expect at my age, and with time running by Personally i think just like a helpless spinster." These were much more beneficial to me. that whenever we are well again, we really can laugh about any of it. I didn't end it. There are better books out there to assist you! told me the day after I returned house from my second go to to him, with an instant: "is not the best second to keep our relationship" . Fun on every page I can't count just how many times I came across myself guffawing hysterically. I was in an extended distance relationship (3 flights from your home). :D Four Stars Greatest friend needed it !! In case you are really hurting, this book isn't for you. :P Super funny, but occasionally left me crying. Highly recommend! Easy read. I love that there stories from other ladies in the book. Simply flush the complete rubbish out from your system. Really funny, and some good advice among the jokes. I would have enjoyed reading this even if my small heart hadn't been broken recently. Funny however, not the be all instructional I came across this book in the midst of a terrible split up. You will see yourself atlanta divorce attorneys phase post break-up referred to.. . Its how, women can be when upset, the kinda thoughts and activities. It's objective is to cause you to laugh and even at that, when you are hurting so badly, that is difficult to do. more 'silly' than 'funny', for me.. I'd say it's for teens who aren't prepared to maturely handle a broken heart, but I believe even teens would throw this reserve aside. Assumed they are lifeless, and existence at this time of time w/o them is a lot sweeter. Recently, involved with a new bf again. Also idea he was the main one I would have kids with. I've read every book about them that's out there, believe me.! It does not really offer you practical advice to obtain through the harm.. I would recommend two books for you personally: "You Didn't Complete Me" and "It's Known as a Break-up because it's Broken.. Carrying out my third reading of this hilarious book. It was thus humorous and was extremely realistic. It brought you to actuality but kept you laughing. Excellent guide to maintain you on your own feet rather than down in the dumps. Gives both perspectives. Completely great book! It was Okay, but.. You will laugh, you will cry and you may find a best friend in this book to

assist you make it through. For something deeper and even more practical emotional advice, I'd look into another thing. But it did make me laugh out loud more than a few times. and make lots of senses.
