In 2013, Ann Cameron cured Stage 4 cancer of the colon without chemotherapy or radiation, by drinking carrot juice. Genes aren't our destiny. how to reduce the cost of cancer care; Predicated on her comprehensive reading in scientific journals focused on nutrition and cancers, her ground-breaking book describes the facts of the carrot treatment and the scientific evidence for its power. In this publication, she shares little-known research that is revolutionizing scientific thinking about cancer and how exactly to treat it. The research comes from the exciting brand-new field of epigenetics--the study of how chemical substance switching mechanisms inside our bodies change the expression of our genes. Our environment, the foods we consume, and just how we live can silence pro-malignancy genes or change them on, arranged anti-malignancy genes on alert or switch them off. Since that time, others with a variety of cancers have reported comparable successes. Neither is cancers. Cancer develops when your body loses its capability to recognize and eliminate rogue cells--cells that dominate the body if they don't stop dividing. and how to arrive at individual treatment decisions that are best for you. Equally helpful, it includes the practical understanding Cameron gained from her trip through cancer and back to health--how to use the internet to research proposed treatments and the grade of hospitals and doctors; The scientific information in this book could be a life-saver and a beacon of expect you or someone you know. Cameron wished to find out why this apparently simple cancer cure--just carrots--works. In a few cases--probably many--carrots can restore the body's natural power to regulate growth and eliminate defective cells.

My wife's malignancy is fully gone after 9 weeks. This book's content parallels my wife's battle with cancer. After 4 weeks, she was informed that she was cancer tumor free of charge. I saw this publication "Curing Malignancy with Carrots" last fall. I drank the carrot juice right and didn't add any other veggies/fruits because of concern that any constituent in another veggie might counteract the recovery quality of the carrot. Last October, my partner was identified as having stage IV ovarian cancers, which acquired spread to near her air ways and heart. We started chemo. The only thing different I did with my diet plan was the introduction of carrot juice. And we've all been drinking the Kool Aid rather than the carrot juice, but also immediately bought a juicer and started juicing carrots, daily. I remember a man I met at a fishing camp in Canada, that summer time.. Who knows, but I'm glad this is working! He found a book back in 2001 about carrot cure for malignancy and began juicing 5# of carrots daily for 2 months, then 3# of carrots daily for another month and at that time returned to his doctor for a recheck of his condition, because he experienced therefore well. His CAT scan demonstrated no evidence of ever having lung tumor nor his emphysema. I recommend, If you can, to send people the Amazon connect to this book. 9 weeks into chemo, her tumors in her chest were gone and after her hysterectomy, the pathology survey on 7 organs and 17 lymph nodes eliminated, mentioned "NO MALIGNANCY". After operation recuperation, we continued juicing and 6 even more weeks of chemo. The author's personal experience & I got answers and advice on the overwhelming subject matter of my cancer analysis.. Our juice recipe: 3# carrots, 1/2 couple of celery, 1 cucumber, 1 apple, 1 lemon (peeled), 1 thumb-size pc. of Ginger root. \$0.00 per month while I was juicing, and one lb. Jan, Elk River, MN TUMORS SHRUNK IN TWO IN 4 MONTHS!! I am going to boost my carrot juice intake now from 4 pounds daily to 5 after learning this is the minimum within my current weight! This important book to learn and learn from!! I started drinking 1/2 gallon (8 cups) of organic carrot juice each day (10 pounds daily). The larger you have "Irregular Borders" & other unfriendly features & my doc wished to biopsy IMMEDIATELY. I refused for concern with "seeding" & because I knew I'd want in order to avoid 'Cut/Poison/Burn off' & didn't need to start that hamster wheel. I have 2 tumors on my thyroid that have been steadily growing for the past year. Many thanks Ann for posting your journey around! no longer had any concerning characteristics! and my tumor returned in late 2015. What did not work: The year prior to trying carrots I tried several other tactics to eliminate these tumors. I juiced 3 bags (30 pounds) at the same time which provided 1. wanted to give it my best shot. I purchased organic carrots @ \$5 for 10 lb handbag at Costco. What I did: I drank 1/2 gallon daily because I had a need to see if this would work & 5 gallons of juice. I will continue to beverage the carrot juice until they are completely gone. Perhaps it would have been easier to juice the carrots daily, but it saved a lot of time & ensured I'd involve some handy. For the next 6 months I'll do a one or two 2 day supply, as I think that could be why the tumors are not entirely gone.. We talk about the juice now. study vis-a-vis the tumor industry's poisons, income & My CEA levels (Cancer Tumor Markers) transpired from 2.? I simply bought it right here on Amazon and read it thoroughly in two sittings, I find it an unbelievable resource on the power of natural foods and wellness. wants me to continue drinking the carrot juice. I initially tried drinking water fasting. I followed that with a natural GAPS diet large with bone broth & During the rest of the times I ate my normal organic foods. Many of us and our loved ones are devastated by this regularly misunderstood disease. How come my own body require so much carrot juice? Strongly suggested. ! I bought a juicer, and did 200 days of carrot juicing (six measuring cups of 100 % pure carrot juice per day) , maintained connection with my oncologist, and- I am now healthy. CARROT JUICE Functions! Anybody with cancer must read this. My doc is normally amazed & My oncologist backed me in my own decision never to do chemo once again, as my body could not deal with its toxicity and ravages, a second time. I read 'curing cancer with carrots' by ann cameron and googled 'ralph cole' and started to read his story and his blog. Great Book Many thanks Ann! "You do not get sick because you have cancer, you get cancers because you are ill"- such smart words. I continue steadily to meet with my oncologist to ensure my (CA125) numbers are where they need to be. We eat a mostly plant based diet plan, avocados, coffee beans, rice, quinoa, veggies, berries and nuts, unsweetened coconut milk. I have chosen never to eat meat, dairy or loaf of bread, but I do eat seafood. I make an effort to consist of at least a minimum of five different foods on my plate at each food, to give my body a number of nutrients. If cancers were to come back again, I would perform the carrot juicing once again. Then I went back to following my regular organic diet with 1/2 GALLON CARROT JUICE daily for 4 a few months. I've go through and re-read this reserve. Carrots cost me about \$150. Dave &/or my hypothyroid. I by no means forgot that discussion and that's the reason my wife was wanting to start juicing daily while also beginning her chemotherapy. (Inspired by the studies by Valter Longo & It's been explained in an ideal way how carrots heal cancer and all her journey through this. I wish I got known all this before I agreed to chemo.
