A must read for anyone who is ill or not!. This is a wonderful book written by a guy who hung on to the deep meaning of the prayer and was healed of cancer after being told he only had a month to live. I have already been authoring the Lord's Prayer for 20 years, however Greg still offers clean insight. Amazon and Greg Anderson's Cancer Recovery Foundation in Texas have brand-new copies. Wonderful inspiration. Since that time - I have with all this reserve to many in your congregation for friends and family - and I usually send it to anyone that I hear is fighting cancer and even any medical challenges. It really is at times extremely hard to come by in Canada - at a single point someone wanted \$80.. I purchase used copies and brand-new copies and then distribute them to those who are taking chemo, those in cancer-support groups, and the ones whom I meet who have been diagnosed with cancer. Read it over and over again. A beautiful book that's too very difficult to come by A beautiful publication that became my comforter during those moments within my walk with cancers when I felt by itself and frightened and out of control - within these pages I felt the light of the Lord and a calm that enabled me to deal. After being given one by a pal, I purchased 2 to give apart to other friends battling cancer. It was highly recommended to me and now I understand why. Came rapidly... If one person may survive, anyone can perform it. I pray the Lord's Prayer right now with greater fervor. Every cancer individual should own/read This is my ' bible' during treatments. I've told a lot of people about it and have purchased many books for others (as did my friends). Many thanks, Greg Anderson - you had been a blessing on my cancer tumor journey. Most Encouraging Publication to THOSE PEOPLE WHO HAVE Cancer. Great reserve for newly diagnosed cancers patients Favorite book for cancer patients & That is a shame since it ought to be distributed and obtainable within hospitals, churches etc for all to read. I am a two-time malignancy "conqueror" and wish that I had known about this reserve when I had cancer. Please read for your own and our sakes. It confirms what we might intuitively know It confirms what we may intuitively know that the Lord's prayer isn't just a style of prayer, but the prayer which can change lives, The author shares the much deeper meaning of the most frequently recited prayer, and its capacity to heal and modification lives. Five Stars Just that small extra encouragement a person must go through tough times. This is an excellent book written by a guy who hung to . It was highly recommended to me and now I understand why. Each phrase in the prayer has acquired personal significance if you ask me. I pray the Lord's Prayer right now with .00 for just one of the original copies. It is encouraging enough to know of someone who has survived a death sentence and continued to thrive, but to learn the actual phrases of this obviously sincere man can be life-altering if one listens and learns. Extremely inspiring! Thirty years afterwards he is still alive and healthy! Great Very inspiring! This is an outstanding book that is most encouraging to those people who have cancer. survivors
